### Postage Stamps

Amaze your friends and family by sending postcards and letters with custom photo stamps featuring your family, your pet, a wedding or senior portrait, or any other treasured personal picture. PictureItPostage™ is real US Postage created by Endicia™, the leading distributor of Internet (PC) postage by volume in the United States.

### Coasters

Coasters are fun and useful. They are also a great way to show off the latest photos to family and friends. Perfect for hot or cold drinks. High quality printing using digital heat transfer process

### Cutting Boards

Spice up your kitchen with a custom imprinted cutting board. Custom cutting boards are perfect for home chefs or restaurant owners alike, and make a great gift. You can imprint any image on the specially coated tempered glass that is durable and dishwasher-safe.

### Key Chains

Create custom key chains and luggage tags from any photo. Your photo is sealed making the key chain waterproof, fade proof, and scratch resistant. Tired of confusing your black suitcase with everyone else's? Give your luggage some personal attention with a custom image.

### Magnets

Magnets are made out of porcelain and coated with Lustracoat so your image will really "pop" when printed.

## Gift Items

**Bookmarks**

This aluminum bookmark makes an ideal gift for the voracious reader. The bookmark features a slot at the top to hold a book's page. Laminated on one side.

**Buttons**

Buttons make great gifts. Create a durable high quality metal button with your favorite image on the front.

**Mousepads**

Create a custom mousepad by printing your favorite image on it. High-density rubber stands up to wear and tear.

**Mugs**

Quality materials and vibrant colors will make mugs a treasured gift or keepsake.

**Puzzles**

Puzzles are popular with both kids and adults. Create a puzzle of your home, a pet, a family portrait, or your favorite vacation spot. Puzzles make great gifts and can be framed and hung on the wall

## Showcase Items

### Statuettes

Statuettes are a fun, durable, and beautiful way to preserve your special memories.

Images are printed on regular photo paper and mounted on 1/8" white acrylic. A trained artist traces the subject(s) and creates a cut file that is used to laser cut the subject(s). The actual size of the finished statuette depends on the size of the subjects in the original print.

### Wall Clings

Life-size print that you can stick on the wall. Wall Clings adhere to practically any wall, and can be moved numerous times with no residue. Image is printed on premium Photo-Tex material. Sticks to walls, doors, lockers, and more. If possible, avoid extending the subject off the picture. In the 'Special Instructions' box provide directions on how much image to include in the final cutout.

### Standouts

Standouts are popular for trade shows, corporate lobby displays, restaurants, or for home. A Standout display consists of a photographic print mounted on a 1.5" thick, lightweight Gatorfoam with a lightly textured black or smooth white trim around the edges.

**Desk Stands**

**Wall Mounts**

fotoflōt products have two options for displaying photographs: a Desk option includes a stand, and a Wall Mount option with wall hanging hardware.

Photos are printed on true photographic paper and mounted on a 1/8" acrylic base. Both are laser-trimmed to the size you choose and arrive ready to mount. Hardware and instructions are included.

Innovative magnetic mounting system allows you to avoid glare and frames; and allows you to swap photos in seconds. Images literally float off the wall or desk.
