To Whom It May Concern:

I, Kevin Phelan, am the owner and copyright holder of all photographs and videos taken by **KrPhotogs Photography LLC** located at 40W865 Campton Woods Drive, Elburn, Illinois 60119.

I hereby grant a non-exclusive license for each photograph and video purchased of every athlete recognizable in said photographs and videos to the athlete, the athlete's immediate family, and the athlete's coach, manager, and choreographer, to use these photographs and videos for unlimited personal use. This includes unlimited printing and electronic reproduction, for uses including, but not limited to, home decoration, education, memory making, or a personal web site, as long as the copyright embedded with the photograph and video is included on the electronic reproduction (i.e. you are **not** allowed to edit the EXIF information). I also grant a non-exclusive license to the home club of each athlete for reproduction of these photographs and videos as long as each use includes the photo or video credit "Photo/Video by **KrPhotogs Photography LLC**" with the copyright year, for both print and electronic reproduction. The club is solely responsible for obtaining any required model releases (including releases from the parents of athletes that are minors) or any other consent that may be required for said use.

The photo or video credit, "Photo/Video by **KrPhotogs Photography LLC**," must accompany all publications of these photographs and videos in any public media and a "tear sheet" (i.e. a copy of the article or media product) must be provided to **KrPhotogs Photography LLC** via electronic communication.

Commercial use of any photograph or video is expressly prohibited without written agreement with **KrPhotogs Photography LLC**. If permission for said use is granted, the user is solely responsible for obtaining any required model releases (including releases from the parents of athletes that are minors) or any other consent that may be required for said commercial use. **KrPhotogs Photography LLC** retains all copyrights for commercial use and reserves the right to charge a license fee for commercial use. For purposes of this document, "commercial use" is defined as sales, advertisements, fund raising, and any other use in which money exchanges hands as a result.
